# The year *in review*

---

*Dear Friends of The Women's Center,*

**We are thrilled to present to you our '2022 At-a-Glance', a report encapsulating the highlights of our impact during this year.**

This has been a unique and challenging year for all of us. Despite these challenges, we are proud to report that The Center has continued to make a significant impact on our community.

In this report, we provide you with an overview of our achievements, programs, and services. We share with you the stories of the individuals who have benefited from our services, and the impact that we have had on their lives.

Our commitment to our mission has never wavered, and we have continued to innovate and adapt to changing circumstances. We have embraced new technologies and approaches to ensure that we can continue to provide high-quality services to those who need them.

None of this would have been possible without the loyalty of our donors, volunteers, and supporters. We are grateful for your continued faithfulness and generosity! We hope that this report will inspire you and provide you with insight into the impact that your commitment has made. Happy reading!

*Rachna S. Krishnan,  
CEO & Executive Director*

# Highlights in 2022

## Expanded Geographical Reach

Prince William County is classified as a severe mental health workforce shortage area. The Center expanded its services into Prince William County and in 2022 saw a significant increase in county clients.

## Served More Adolescent Clients

We saw a significant increase in the need for adolescent mental health care and accordingly hired therapists specializing in adolescent care. As a result, we served 30% more teen clients with mental health services.

## Reached More Clients with Affordable Counseling

We provided mental health counseling to 1,640 individuals. Of those clients, 56% received services for free or at a reduced fee.

# Our Services & updates

"We take care of everybody in the community through trauma informed, caring, and compassionate care."

– Rachna Krishnan, CEO & Executive Director

3,344  
people reached with  
35,111 hours of service

56%

of clients received  
services at a reduced fee  
or no cost

671

clients received free  
domestic violence &  
sexual assault advocacy  
services

## *Specific programs*

**INDIVIDUAL & FAMILY COUNSELING:** 1,640 community members received 20,597 hours of individual, couples, and family mental health counseling. 56% received reduced fees/free services with 80% of these clients reporting improved mental health.

**DOMESTIC VIOLENCE & SEXUAL ASSAULT SERVICES:** 671 domestic violence survivors received 9,218 hours of crisis intervention, mental health counseling, advocacy, and support resulting in 89% of these clients reported enhanced safety; 96% improved mental health; and 93% reported feeling less isolated.

**EDUCATION & CAREER ENRICHMENT:** 329 community members attended a workshop or webinar last year designed to enhance their skills to find paid work, achieve financial stability, navigate complicated legal processes, and achieve work-life balance, manage stress, and strengthen their ability to be resilient.

**INFORMATION & REFERRAL SERVICES:** We provided 3,154 callers with important information, including vital information about programs for children and teens, suicide prevention, behavioral and mental health, career programs, domestic violence, sexual assault, among others. Callers also learned when, where, and how to turn to The Women's Center for help.

# *Community* Connections

Thanks to our corporate partners, we ensure that financial need is never a barrier to access mental health care. These partners donate funds, time, and talents, and their support was evident at our 36th Annual Leadership Conference, attended by 50 companies in the region.

With the help of Deloitte, one of our long-standing partners, we provided valuable resources such as pro-bono financial workshops to reach more community members in need. We express our gratitude to all our event and annual sponsors, with a special thank you to CGI, Attain Partners, and Criterion, our three Patrons, for their unwavering support of The Women's Center.

## Volunteers

**The Women's Center's Volunteers at The Leadership Conference**

In 2022, 46 volunteers contributed 2,191 hours to The Women's Center. These dedicated volunteers played a vital role in our operations, whether it was handling daily Information & Referral calls, supporting our virtual education programs, or providing valuable administrative assistance. We also had 80 volunteers that helped with various events. With their skills, time, and compassion, our volunteers were instrumental in keeping us moving forward.

# Fundraising *events*

## *36th Annual Leadership Conference*

We hosted our first in-person Leadership Conference after 2 years of virtual events. It was held at The McLean Hilton, Tysons Corner on Saturday, April 2, with the theme "Caring, Courageous, Inclusive". 337 individuals representing different companies took part and heard from amazing keynote speakers including Emma Sharma, Traci DeShazor (pictured in red) and Janine Driver.

We are grateful for the continuing support of our Lead Sponsor CGI and 50 top companies that sponsored our event.

## *2022 Annual Gala*

Our Annual Gala, "Moving Forward Together", was held in person as well on October 29, 2022 at The Ritz-Carlton, Tysons Corner. PBS Newshour's Chief Correspondent Amna Nawaz was the emcee and the event was attended by 306 people.

Our auction featured a wide variety of items that were available for mobile bidding and it was a huge success! Viewers and supporters participated in the auction and supported The Center's cause.

The event also featured DC Fusion, a talented local band. The Women's Center is grateful to our sponsors for their generous support, especially to Deloitte, our Lead Sponsor; Founding Patron Sponsor, CGI Federal; and our Patron Sponsors Attain Partners, and Criterion Systems.

# Emily's *Story*

On the outside, Emily\* was a great student at a reputable high school with a group of close friends and a tight-knit family. However, Emily was having a difficult time adjusting to her rapidly changing life as college loomed closer and her friends were experimenting with drugs and sex. Over the course of just a few months, Emily had become increasingly anxious and reclusive. It got to the point that she would only leave her room when it was absolutely necessary.

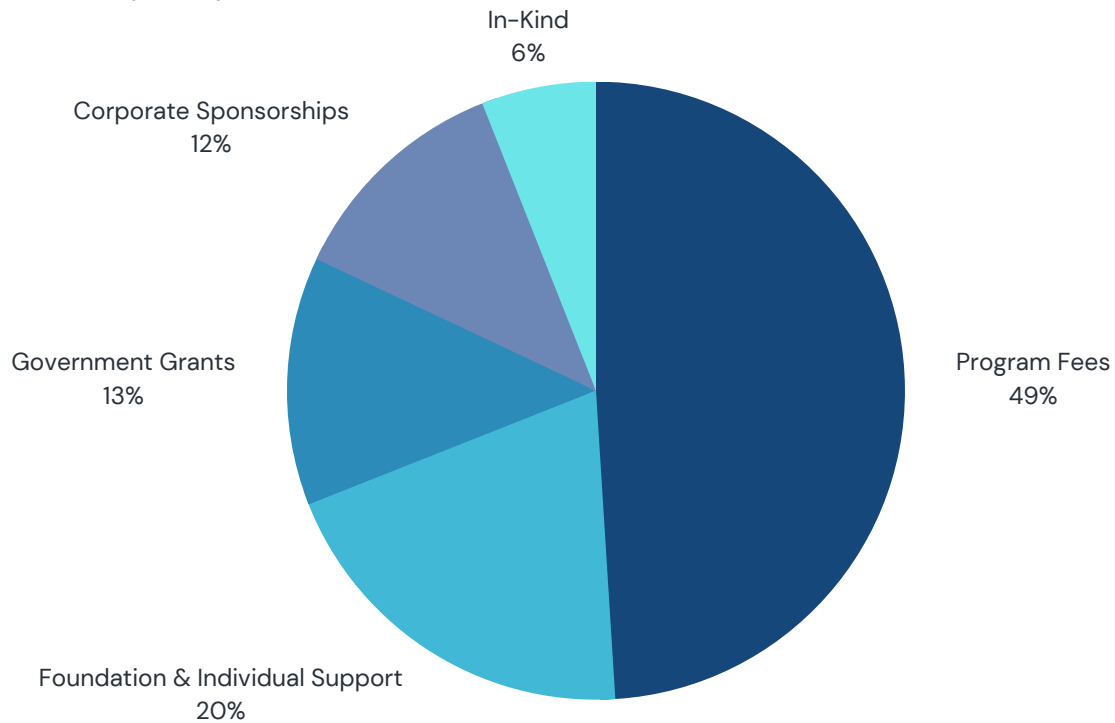

Thankfully, her parents turned to The Women's Center to help guide their daughter through this vulnerable, high-stress season in her life. Emily worked with a highly trained and compassionate therapist to develop small goals, like going for a walk in her neighborhood, that served as stepping stones to gradually expand her comfort zone and grow her confidence again. Emily saw her therapist's office as a safe place to unpack and process her experiences at school and prepare for her transition to college.

After a year of therapy, Emily is feeling like herself again. She feels comfortable driving to meet friends for coffee, has a part-time job, and has even been accepted to her first-choice college close to home. Thanks to The Women's Center, Emily has been given the tools to transition into adulthood with confidence.

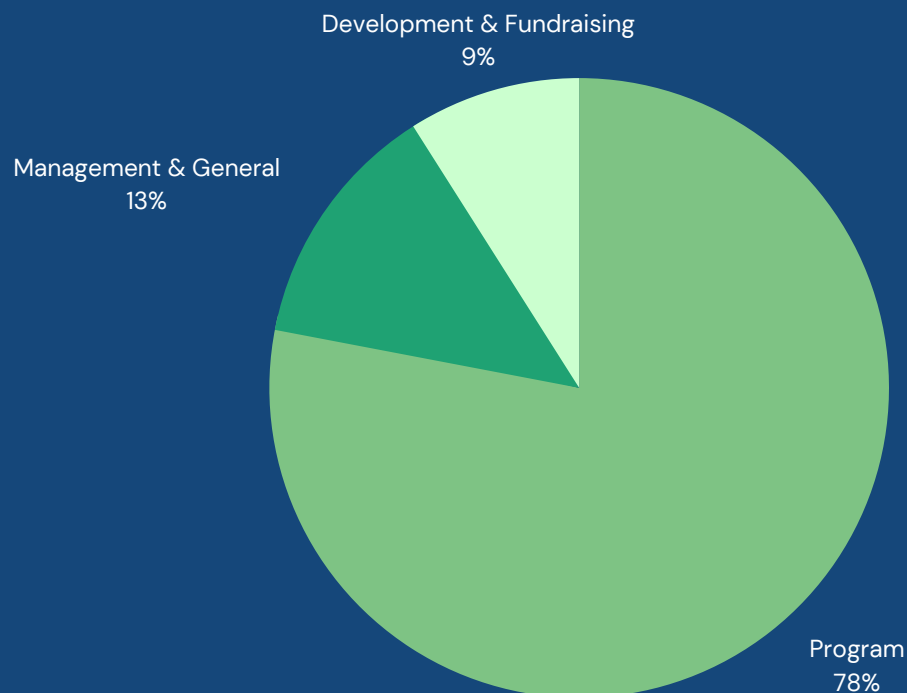

\*Name has been changed to protect client's identity.

# 2022 *Finances*

Revenue: \$4,345,875

Expenses: \$3,754,790

# 2023 So Far

## **Served More Adolescent Clients**

In 2023, we recruited more dedicated therapists with expertise in this area. The outcome was a remarkable 30% rise in the number of clients seeking adolescent mental health services.

## **Reached More Clients with Affordable Counseling**

As of June 2023, we provided 11,282 hours of mental health counseling to 1,128 individuals. Of those clients, 59% received services for free or at a reduced fee.

## **We're Moving**

On the heels of our 50th anniversary in Vienna, we are relocating to a new home. Because our long-time office site is being replaced by a residential development, we are faced with the herculean task of moving to a new location.
